

KARAMA Campaign

Objectives of the campaign

- 1 - Monitoring and documenting the current status of the movement of Palestinians at all internal and external crossings, and monitoring changes and developments
- 2 - Exposing the Israeli policies and practices on the crossings and use of collective punishment for extortion and political gains.
- 3 - Monitoring and exposing legal violation of international humanitarian law and relevant conventions.
- 4 - Improving freedom of movement and access to the crossings with dignity
- 5 - Mobilizing popular support inside and outside of Palestine
- 6 - Impacting on decision-makers to improve travel conditions that fall within their responsibilities and support the international campaign to pressure Israel
- 7 - Mobilizing Arab support for impact on Arab governments to improve conditions for Palestinians to travel freely and with dignity.
- 8 - Mobilizing the international organizations and humanitarian institutions to pressure Israel to facilitate the movement of Palestinians.
- 9 - Alleviating the financial burden on the Palestinians to travel
- 10 - Reducing the bureaucratic procedures
